Persoonlike herinneringsargief • Personal memory archive

N\$ 2 800 – 4 500

'n Omvattende diens vir individue en families wat hul kosbare stories en herinneringe op 'n gestruktureerde manier vir toekomstige geslagte wil bewaar.

A comprehensive service for individuals and families who wish to preserve their precious stories and memories in a structured way for future generations.

Die diens kan insluit • The service may include

- 'n Persoonlike versameling van lewensherinneringe en stories
A personal collection of life memories and stories
- Ordening en kategorisering van stemopnames
Organisation and categorisation of voice recordings
- Digitale bewaring van ontvangde opnames en goedgekeurde persoonlike materiaal
Digital preservation of submitted recordings and approved personal material
- 'n Persoonlike digitale versameling wat maklik is om te navigeer
A personalised digital collection that is easy to navigate
- Georganiseerde digitale aflewering aan die kliënt of familie
An organised digital delivery for the client or family

Elke Erfenis-projek word individueel bespreek en geprys volgens die omvang van die materiaal en die kliënt se behoeftes.

Each Legacy project is discussed and priced individually, according to the volume of material and the client's specific needs.

Biografiese boeke is nie by hierdie pakkette ingesluit nie.

Biographical books are not included in these packages.
